OX[®]

OX PRO HEAVY-DUTY FIXED BLADE FOLDING KNIFE

INCLUDES 3 BLADES

- Constructed with a zinc alloy upper body and aluminium handle, this knife delivers heavy-duty strength while staying light and balanced in hand.
- The fast folding mechanism allows for smooth blade deployment and secure storage — perfect for fast-paced, repetitive cutting tasks on site.
- Rear-access button allows for quick, toolless blade changes via a storage compartment, reducing downtime and keeping your workflow moving.
- A notched thumb rest boosts grip and control, letting you apply more pressure with confidence and comfort during tough cuts.
- The underside of the blade holder features a notch designed for wire stripping and strap cutting, adding versatility to your tool belt.
